

Question**Response**

Q: Hello, how many participant currently is participating, It seems like City of Henderson presented not the public	A: 253
Q: Why is the City in such a hurry to move forward with the Hockey Arena?	A: The City is looking for a long-term solution to re-imagine the Pavilion. We have been evaluating opportunities for longterm solutions since the damage occurred in 2018.
Q: Question 1: We do not want this place in our backyard, since city with taxpayers money established some statement. Like 70% people view this positively. I would like to request an audit to see who is the pool selected for the survey?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: If the Pavilion Arena is such a great deal for Henderson residents, why was it necessary for the city to negotiate in secret and sign a non disclosure agreement with the AHL?	A: Please visit HendersonEventCenter.com for more information, the City did not sign a non-disclosure agreement with the AHL.
Q: 2. As you see last saturday 500 people were against the pavilion join the protest their car. What is the consideration on this?	A: The City is evaluating all feedback from the community.
Q: How about giving the negatives	A: The speaker is answering questions that are being sent in, positive and negative.
Q: 5. Since city has no problem spending money we as a citizen of 89012 we demand two indepent audit done reflect the real outcome, not like consultant firm is paid by the city of henderson?	A: Thank you, I'll share your feedback with our team.
Q: Why not UNLV or Raiders rather than Golden Knights?	A: The Henderson Events Center is intended to handle a multitude of events. The Raiders and UNLV already have facilities. Please visit the Henderson Event Center website.
Q: With over 71% of the local residents opposing an arena, why are you proposing only one solution for the Pavilion site?	Please visit the Henderson Event Center website.
Q: Who made the decision to propose only one solution for the Pavilion site? When was that decision made?	Please visit the Henderson Event Center website.
Q: There is clearly high opposition to this arena. Why are you not listening? Your survey was misleading & designed to get positive results. YOU ARE NOT LISTENING, but are going ahead with your plans regardless of citizen input.	A: Thank you for your comments. We are listening to community comments and feedback as we continue to evaluate the opportunity.
Q: The power just went out to the Benji neighborhood. Can you fix it? You just lost everyone in that area.	A: Thank you for the notice. The speaker just acknowledged the power went out in the area. The presentation will be posted following the town hall. We do not understand the context of this question
Q: Independent audit ? Please provide when the independent audit will take place?	A: Seniors will be welcome at the facility, the events will have lots of choices.
Q: has anyone considered senior citizens, i.e. 80 etc in this?	A: thank you
Q: Looks like a huge improvement over what we have now	Try this link https://www.hendersoneventcenter.com/faqs/
Q: I dd not see any specific information on the website.	The location of the facility
Q: What will be the incentive to hire Henderson residents?	This information is available on the website for the Henderson Events Center
Q: Who is the third party that designed the survey?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: almost 20% of the surveyed residents were from the 89015 zipcode, not close to the event center.	These discussions are being presented to all stakeholders interested in the project. A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: Was this presented to Green Valley Ranch HOA, who surround the proposed site?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: In your survey, why did you only propose one option for the Pavilion? Please explain. By doing so, you have invalidated the survey and made it a political tool.	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: Who did this study and what people were asked? I know I certainly was not asked about this.	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results. Pre-sales for potential tickets for the AHL team have been made by the Knights organization
Q: in your advertisement you stated that venue seats have already been sold. How can this be since the facility hasn't been built yet?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: I would like to see the survey results from the 89012 zip code. Are those available?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: the proposed arena, with 31.8 having no knowledge. This means the actual number of respondents who could answer the series of questions with any prior knowledge of the project was 262. Thus, the confidence rate or reliability rate at 95% is not accurate.	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: stion 3 on the City of Henderson survey-asks the "Good for Henderson" question—and does so without revealing first that the project is going to ask for taxpayer participation. When asked about public funding in Question 7, the approval rate drops to 54%.	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: Is there a arena commission being form where the immediate surrounding communities have a voice beyond Henderson residency?	The City Council represent the Henderson residents in these matters.
Q: Your expert on property values did not compare apples to apples. The St Louis arena is an NHL arena, so it is not a fair comparison. More importantly, the arena is in DOWNTOWN St. Lois, not a suburban community.	Please visit the Henderson Event Center website for more details.
Q: The crime rate around the St. Louis arena, you used as an example was recently given and "F" for crime in the area! High crime.	A: Thank you for your feedback. Henderson is one of the safest Cities in the country, and safety continues to be a City priority. The West Police Station is on the same campus of this site. please visit HendersonEventCenter.com
Q: Why can we not see all of the questions by the public and your answers?	A: We are keeping a transcript of all questions, and if they're not answered verbally, we will answer on the website. Please visit the Henderson Event Center website for more details.
Q: Did the city sign a non-disclosure with the Golden Knights, the AHL team relocating here, Foley or any related entities to this project?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: Can you expand on how the survey was taken? It seems the survey questions were designed with some bias so the results may be skewed in the City's favor. Surveys should be taken using neutral, non-leading questions.	A: Yes, we are receiving a very high volume of questions. If we can't answer them all verbally, we'll post them and answers on the website.
Q: Will you be posting ALL the question on the website?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: What percentage of the residents were surveyed? How was the survey provided to the residents? My household did not receive a survey?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: hi will this meeting be archived and available for review as power went out in our neighborhood here on Doe Run Circle. I missed a good chunk and didn't get to are the slides as I listened to it by phone. thanks	Please visit the Henderson Events Center website for more information.
Q: The power has been out in all of the neighborhoods adjacent to the proposed site since this presentation started. Most of the residents affected directly by this proposal are unable to participate in this town hall	A: Thank you for your note. We reached out to NV Energy. We'll also make this presentation available after the fact.
Q: A very well planned and thought out proposal that would benefit all of us. Thank you for your efforts	A: Thank you for your comment.
Q: Survey was a very slick PR. Less than 400 were surveyed or .25 % of community, in Zip code 89012 which will be impacted the most only 50 residents surveyed. As a 22 year GVR resident, unfair and unequitable. Expected more from Henderson City.	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: Why did Bill Foley say in 2017 that public money should not be put into stadiums, but rather into police, fire, and safety. What changed?	Please visit the Henderson Events Center website for more information.
Q: Has there been a study to determine what kind of long term demand there will be for a minor league hockey team. The team states there are 5,300 deposits, but is there any research to suggest what the average nightly attendance will be once the arena opens?	Please visit the Henderson Events Center website for more information.
Q: Rob-you just said this started in January. The City Council members have said they have been working on this for six months. How could there be such a discrepancy in dates?	Please visit the Henderson Events Center website for more information.
Q: With the predicted social distancing standards that will be required going forward, it is actually very likely that we can pack 6000 people in any building? Will this be viable financially if we can only use it to 1/3 capacity?	A: Those are good questions in this environment and will need to be assessed if this current situation continues indefinitely
Q: How were the people polled contacted?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.
Q: Has there been a study done on potential crime?	Please visit the Henderson Events Center website for more information.
Q: Your community survey is misleading. Please explain why only one option for the Pavilion was included in the questions?	A: The statistically valid survey results have been posted to HendersonEventCenter.com. Survey professionals have use specific methodology to ensure the validity of the results.

Q: The survey was not a good representation of the opinions of those that live around the pavilion. Why weren't more people surveyed who live in the 89012 zip code?

Q: who makes the final decision? Will we vote on this?

Q: what are the next steps, milestones?

Q: The police are not sitting at the station waiting for a call, they are out on patrol and not in the area. So will you then be paying for extra officers during events?

Q: The adjacent West Police Station is only open Monday through Thursday 7:30-4:30pm. Will they be extending their work week and hours?

Q: Can you post the Henderson event center.com to the front page of the Henderson City home page?

Q: Will this meeting be recorded and available somewhere so I can listen to it. I was late getting on?

Q: Will this presentation be on the Website to watch again?

Q: Your survey was not accurate. Perhaps you need to research a new survey?

Q: Will this increase the Green Valley Ranch HOA dues?

A: Thank you for your feedback.

Henderson City Council

Please visit the Henderson Events Center website for more information.

Event security would be addressed in the lease agreement, which has not been finalized.

Event security would be addressed in the lease agreement, which has not been finalized.

A: Thank you for the idea....We will pass this along for consideration to make sure the information is easily made available to our residents

A: Yes this will be available for viewing in the near future on our website. Check back soon.

Please visit the Henderson Event Center website.

Thank you for your feedback

A: Not on behalf of the city..... your HOA controls those fees
